

Innovation Priority Categories

1a

- **National Must do.** Nationally mandated proven innovations with an evidence base but which require deployment support.

1b

- **National should do.** Nationally supported innovations that align with Dorset priorities.

2

- **Local priorities.** Innovations identified which address Dorset priorities and are supported by Dorset organisations.

3

- **Doing now and need to spread.** Innovations in use in a Dorset organisation but not widely deployed across Dorset. Has evidence base to support case for spread, which is supported by Dorset organisations.

4

- **Would like to do innovations.** Innovation team provide advice and support. These innovations may be part of the discovery and develop phase requiring research and evaluation prior to deployment.
