Clinical Lead for the Dorset Innovation Hub

We are looking for a clinical lead for the Dorset Innovation hub (DIH) to help us champion the strategy and work of the DIH and be an advocate for healthcare innovation adoption across Dorset.

Dorset has received independent charity funding to form the [Dorset Innovation Hub](#)

The DIH will support health care providers to enable faster and more effective uptake of innovations and improvements. Innovations cover both adoption (putting into practice what has worked elsewhere) and invention (creating new ideas, products, services or models of care). The DIH will also help address inequalities. This will have long lasting impact for patients and patients care.

Who are we looking for?

We are looking for a lead clinician* that works in one of our Dorset Innovation Hub partner organisations. This is a coordinating role requiring good communication and facilitation skills who will work with the hub programme group, hub lead and all partner organisations to support the realisation of DIH strategy and prioritised healthcare innovation adoption projects. For further details please see the [role description](#).

*To be eligible for this role you will need to work within nursing, medicine, midwifery or the allied health profession. Remuneration for this role equates to:

- Half a PA (9 hours per month) - £6,463 (based on mid point consultant YC pay scale 2022/23)
- 12 hours (per month) - £6,463 (based on midpoint 8c admin and clerical pay scale 2022/23)

The role should be fully supported by the individual's organisation and is funded for the two-year term of office by the Dorset Innovation Hub via your employing organisation.

I am interested, what next?

To express an interest in this role, in 800 words or less please outline why you feel you would be best placed to undertake the role. You should outline your eligibility and consider the role description when completing your expression of interest. Please complete this by 17.00 on 23 September 2022.

If you have any queries or would like to submit an expression of interest please email:
