

## Healthcare at your **fingertips**

Stay on top of your health,  
at home or on the go!

Dorset NHS apps can help  
you save time, reduce stress  
and offer flexibility to better  
manage your condition.

# Healthcare at your **fingertips**

Digital is part of our everyday, from ordering our shopping or checking our bank account to helping us manage our health and wellbeing.

Dorset's health apps and hospital@home services can help you stay well, with less appointments, less stress and more control over your care.
